▶ **INTRODUCTION**

AWK-4360 is a P4 or VIA Eden based 4U height workstation with 8" TFT high brightness LCD display (400 nits). It features an 88-key keyboard drawer and touchpad for high reliability and easy operation.

Its heavy-duty construction is designed for industrial environments. It is equipped with removable rack-mount flanges and handles for the options of rack or bench-top use.

It has a wide range of industrial applications and features at a reasonable price expected by both end-users and OEM.
